Superintendent

My congratulations to the class of 1975!

The only reason for the existence of public schools is to serve the students and people of their community. I hope that, in some way, we have been able to impart to you the necessary skills and knowledge that will help you meet future challenges.

Again, congratulations and best wishes.

The 1974-75 Trojan Band had a great year under the direction of Mr. Ron Gerald with lots of help from Karen Morris as the drum majorette.

The first performance of the year was in the Decatur Labor Day Parade. It was followed by a great show at homecoming.

This year, color was added by having Pom-Pom girls. They performed precision drills during halftime at the football games. They also performed at basketball games. To finish out the winter season there was a festive Christmas concert.

Another addition to this year's schedule was the tryouts for the County Band Festival.

Along with the entire band performance, many of our members had the honor of playing in the Honor Band.

This year ends with the excitement of competition in band, solos, and ensembles at the state contest. Finishing with an enjoyable spring concert.

Class History

In the fall of '70 we entered Maroa-Forsyth High School as a class of 86 enthusiastic freshmen with Mrs. Miller, Mr. Nicol, Mrs. Query, and Mr. Smith as our sponsors. To lead our class we elected President, Larry Thicksten; Vice-President, Rita Roosevelt; Secretary, Karen Morris; and Treasurer, Donna Leonard. Looking forward to our first Homecoming dance, we chose Karen Leach and Greg Wilson as our King and Queen candidates. Our float, ''Wash 'Em Up,'' placed fourth. During the year we lost Patti Albee, Marsha Bagley, Carl Bunton, Dale Lemkar, Brian Mullinax, and Joyce Owens.

We began our second year at MFHS with a little less enthusiasm, but with a year of experience behind us. This year we gained Debbie Berry, Vicki Fombelle, Philip Lee, Robin Lovell, Gary Gasaway, and Paul Watson. We elected Mark Thomley as President, Rita Roosevelt as V. President, Sharon Tebrich as Treasurer, and Brenda Stonecipher as Secretary. As homecoming candidates we elected Cindy Haines and Mark Thomley. Our float won second place. During the year we lost Vicki Fombelle, Elaina Flynn, Cindy Lazell, Lonnie Mathews, Deanna Pair, Sharon Tebrich, and Paul Thombaugh.

Our Junior year finally came, and it was filled with lots of projects and fun. To lead us this year were Jane Hamilton, President; Mark Thomley, V-President; Larry Thicksten, Treasurer; and Cindy Haines, Secretary. Mr. Nicol was replaced by Mr. Kuykendall as one of our sponsors. Homecoming once more before us, we chose as our candidates, Ken Barlow and Linda Windlan. This year we gained Ken Cloud, Brad Deal, Debbie Martin, Steve Moore, Ron Traughber, Liz Eskew, and Dave Lightfoot. We lost Debbie Adams, Nancy Baker, Delmar Clifton, Donna Leonard, Jack Fletcher, Roy Fernwalt, Larry Gasaway, Richard Hastings, Robin Lovell, and Steve Moore.

At last our class of 1975 entered our fourth and final year at MFHS with 75 seniors. Over the summer we lost Paul Watson and Rick Wikoff, due to early graduation, in addition to Ken Cloud, Mark Thomley, and Linda Windlan. We gained Steve Brandt, and Teresa Consentino. Our officers this year were Rita Roosevelt as President, Larry Thicksten as V-President, Pam Ashcraft as Secretary, and Karen Leach as Treasurer. Mr. Ryan replaced Mr. Smith as one of our sponsors. Homecoming candidates were Rita Roosevelt, Teresa Consentino, Ken Barlow, and Greg Wilson. Greg Wilson and Teresa Consentino were chosen to reign over the dance. Our float, ''Dump 'Em'' won first place.

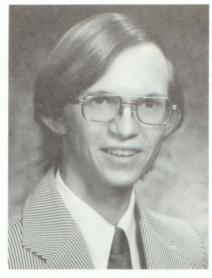

After four long years of work and fun we leave MFHS with many unforgettable memories. So that no one will ever forget, we leave shouting -

We're Alive, We're The Class Of ''75!!''

Class Prophecy

It has been ten years since the ''Class of '75'' graduated from Maroa-Forsyth High School.

Let's take a trip across the country to see how many of the class we can find, and see what they are doing now.

As we board the plane for Los Angeles, the stewardess is none other than PAM ASHCRAFT. She takes us to our seats as the pilot begins to talk. We know that voice! It's TIM WOODARD. Of course, it was the same way in high school - wherever Pam was, so was Tim.

Our first stop in California is to visit ANNETTE BRAGG. She is now a free-lance artist and doing very well. Annette tells us that JOHN KENNISON has a hat shop just down the street. We stopped in to see him, and John said that his hat business is much better here than in Illinois. We leave John and start back to the airport to continue our search. Our plane leaves in an hour, and while we are waiting, I glance at a paper. On the front page are photographs. Why, the photographer is KARL HAUFFE! All that practice in high school sure paid off.

Our next stop is Phoenix, Arizona, where NANCY DARLING and her family are meeting us at

the airport. We are only staying long enough to catch our bus. Nancy tells us that STEVE BRANDT is now a professor at Arizona State University, but we all knew he liked Arizona best. We are also happy to see SUE ORRELL and RON TRAUGHBER here. They have just come from Denver, Colorado. They tell us that RICK BRANDT, MAC PIN-NEY, and TERRY SUMMERS are living there. It seems they like the Rocky Mountain atmosphere! Ron and Sue are always traveling, and they enjoy visiting new places!

We have been traveling by bus for a few days, and since it's Sunday we are stopping for church. The Reverend and his wife greet us, and to our surprise, his wife is KAREN MORRIS. Karen is very happy as a preacher's wife.

We catch a plane for Boston where we are going to watch the Celtics play. As we go in we see LONDA ALLEN who is here with KEN BARLOW. He is a rookie on the team. Mr. Ritter certainly taught him the finer points of the game.

It was a good game and we wish we could stay longer but we must move on to New York for a

few days.

New York City is really busy, and they even have cops at corners directing traffic. Who's that on the corner? It's KAREN

LEACH! She's still in the middle of things!

We finally make it to our hotel and turn on the television to relax for a while. A special program is on. Why, it's Mr. J. D. HARPER. Now he entertains the world - not just our high school! During a commercial, we realize that it is KEVIN BURKE advertising Brilcream. We all knew he had pretty hair!

The last several days we have heard that DAVID LIGHTFOOT has become a Wallstreet millionaire. His cry of "You Rascal!" is heard all around the stock

exchange!

GREG WILSON is a successful lawyer and is very popular in all of the night clubs. ELAINE

BLANCHARD is a concert pianist and is presently on tour in England. MIKE DAY is in Washington, D.C. running for a seat in Congress. We are all rooting for you, Mike, and hope you win the election. MIKE HALE is a TWA pilot, and doing a great job keeping those planes in the air. DELORES RUBLE is running a Day Care Center in Iowa. I wonder why she chose that state??? KAY DEES plays in the New York Symphonic Orchestra and says that her practice in band has really helped her.

We are nearing our last stop of the tour - Maroa - and it sure looks familiar. As we come into town, we see the black smoke coming from the school, and we begin to reminisce about our memories, however, we notice many new businesses in town.

RICHARD ADAMS has taken over Kelley's gas station and is doing well. CATHY CHANDLER is top waitress at the D & R Cafe.

DAVID HUMPHREYS is running the Maroa Auto Salvage, and instead of having the accidents he is cleaning them up!

JIM SCROGGINS was always torn between cars and hair, so he has compromised. He now runs Maroa's first drive-in barbershop. LARRY THICKSTEN has taken over his dad's position in the bank. How's business, Larry? SHARON FOSTER is starting a

new service station and it will be known as the ''Gas-Away Service.''

Our next stop is the school itself. I'm sure it has missed us! I see many of the class members are still around. PHYLISS

ANDERSON is the new principal at M.F.H.S. I guess she missed all the fun she had here. DEBBIE BERRY has taken Mr. Scarlett's place. No one else could have replaced him better! Mrs. Coen has retired and JENNIFER BLAZER has taken her place. CINDA

WALTERS enjoyed chorus so much, she now is doing very well teaching it. Before we leave we look in on the ag. classes where we find CURTIS HILL doing a really great job in teaching his students.

MARCIA DAGGETT teaches first grade and gets our children off to a good start. LIZ ESKEW teaches a semester course on ''How to Get Out of M.F.H.S. Early.'' It seems to be very successful!

Many familiar faces are seen in Maroa. TONI FERRILL and GAY SHOEMAKER have joined acres and plows and are now known around town as "Farmer and Her Husband." The other farmers around are RICK HARRIS and JEFF HEINZ. JERRY CUNNINGHAM is now Macon County Farm Advisor. All of those A's in Ag finally paid off.

There is a basketball game in the gym tonight. MICHELLE GRIFFIN and LYNETTE McDANIEL are still taking money for the games. They must be rich by now. We stopped to talk with Michelle and Lynette and they had a lot of information for us on some of the class.

JANE HAMILTON and CINDI HAINES are still very close. Now they have even more in common - their last names.

DANNY EDWARDS has his own apartment which has all of the latest modern conveniences.

BETH FLETCHER has a new convertible and can be seen speeding through Maroa quite

often.

RICHARD KITCHENS is still hanging around dating Freshman girls.

There are a few classmates we haven't found out about yet. Oh, there's BRAD DEAL and SABRINA SCHULER. They are living in Decatur and said they can help us

out. Brad and Sabrina just moved into a new home that Brad built himself. They tell us that JIM BRAGG is now the manager of Turn Style. He's moving up in the world! Also, they said that DEANNA WOOD is a surgical nurse at Decatur Memorial Hospital.

DIANA CHILDRESS has just hit her 99th service truck and is on Sear's ten most wanted list. DAVID DARBY was the driver, but wasn't hurt. He always was lucky.

CINDY FOULKE is advertising manager for the Cadillac company. She just made a deal with BRENDA STONECIPHER. Brenda finally traded off her white Toyota!

VICKI BRILLEY, THERESA
GREUTMAN, and ELLEN
TSCHAPPAT now have a chain of
McDonald's and are doing very
well. Keep making those ''Big
Mac's'' girls!

We are told that PAUL ADAMS
owns a one plane airport in
Alaska and is known as ''The
Bird.''

JANET OAKES has reached her goal. She is shortstop (and towelgirl) for the St. Louis Cardinals!!!

DAN PERKINS has really done great. He's now manager of Walgreens.

All of RITA ROOSEVELT'S practice in P.E. has taken her

far. She went to the 1984 Olympics and outran everyone. But hasn't she always done that!

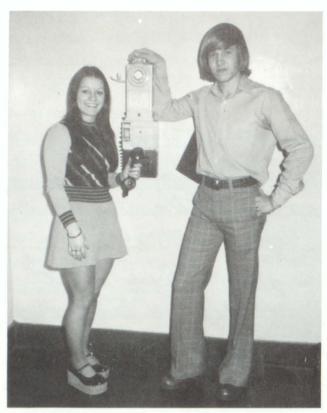

In Sunday's comics we see a familiar name. ROBERT CUR-RENT has a very successful and funny series. Mrs. Scarlett taught him well!

Our last class members are abroad. TERESA CONSENTINO is living in Brazil and hopes to visit the United States again soon. She really liked it here. DEBBIE MARTIN is in the Marines carrying out her family tradition. RANDY GRIMM is now the Admiral of a fleet of ships in the Pacific Ocean and is really enjoying it.

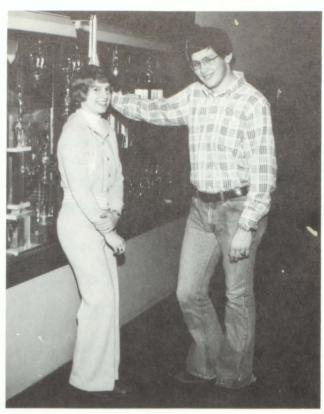

Our trip is complete since we have found every member of the Class of ''75.'' I wonder what 1995 will bring?

Tavoriles beauties and brains- most talented, withist, must likely to succeed our favorite "peoplesomehow good times are even letter whenever they're around always ready with a smile help make the schools personality what it is-involved reaching out these are the ones we have chosen

Homecoming Parade

The Nineteen-Seventy-Four Homecoming week began Sunday, September Twenty-Second when the classes began working on floats.

Thursday was Blue and Gold Day.

Friday the schedule was turned around and the last hour of the day we had a pep session. The cheerleaders and Senior class put on skits.

Saturday was the day everyone had been looking forward to. Home-coming Day started out at nine-thirty with the parade held in the rain. Besides the class floats many churchs, clubs, and other organizations entered floats. Senior float ''Dump the Indians'' received first place and the Sophomore float ''Track em, Down'' got second place. The game was held at two o'clock against the Niantic Indians and we won 20-13.

The Coronation was at nine-thirty with music by the Legends. Teresa Consentino and Greg Wilson were crowned Queen and King.
